Walter D. Woodman

Aug. 5, 1864

June 10, 1949

Walter D. Woodman was born in Sanbornton and lived there all of his 85 years.

He was a graduate of New Hampton Literary and Biblical Institution, Commercial College in 1882.

A Democrat in politics, he served his town for 19 years as Selectman, two terms in the State Legislature being a member of the Committee on Agriculture. He was moderator, overseer of the poor, and truant officer in the town for many years.

He was a member of Belknap County Farm Bureau, a past master of Bay Grange and a former member of Harmony Grange, a member of Belknap County Pamona Grange and the N. H. State Grange.

He served many years as superintendent of the Sunday School, as trustee and as deacon of the Second Baptist church of which he was a faithful member.

Selectmen's Summary and Recommendations

Roads:

The Selectmen have accepted a fifty foot right of way as authorized by Article 38 in the 1956 Warrant.

The surfacing of Perley Hill road will be completed this Summer. The balance of TRA money will be spent on the East side of the town where the need is deemed greatest.

The Court decision regarding the Dr. True road right-of-way to Lake Winnisquam shore line is expected to be rendered in the March term.

Town-Owned Land:

The Board of Selectmen by public auction sold the lumber from the Erickson lot for \$850.00.

We intend to sell the Burleigh lot this year by public auction.

Town Hall:

Last year we reported the Town Hall furnace in poor condition. It will have to be replaced.

The underpinning of the Town Hall needs shoring up and will be attended to as soon as possible.

Town Dump:

The Town Dump was opened from May through October. The Selectmen have granted permission to a private contractor, Mr. Richard White, to use the dump for disposal of rubbish and garbage for the benefit of the townspeople.

Public Relations:

The Board of Selectmen met with Selectmen of the neighboring towns and the Mayor of Laconia to discuss matters concerning the Lakes Region area; such as, police and fire training programs and pollution problems.

We met with the representatives of the Public Service Company and an official of the Water Resources Board relative to the proposed sale of Hermit Lake land and Dam now owned by the Public Service Company. We recommend that the Town purchase parcels of this property providing the Water Resources Board will take title to the Dam.

The Selectmen strongly advise the townspeople to attend all public hearings and in particular the Budget hearing. This year only about twenty-five people were present at the Budget hearing.

We are indeed grateful for the cooperation given us by all the town officers and appointed committees in our endeavor to meet the needs of our growing town.

29. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for the purpose of constructing $\frac{1}{2}$ mile of new camp road over the right of way accepted by the Selectmen from Dr. True road to the Heuber property.
30. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) provided the State contributes two thousand dollars (\$2,000.00) toward the reconstruction of our State maintained town roads.
31. To see if the Town will vote to make the Roy Ruggles property a part of the commercial zone it now borders. Corner of Hunkins road and Philbrook road.

32. To see if the Town will vote to extend the present commercial area from the beginning of the lower bay road up to and including Saunders' farm and beach. (By Petition).
33. To see if the Town will vote to adopt the following proposed amendments to the Zoning Map and Ordinance as submitted by the Planning Board:
 - (1) Amend the Zoning Map of the Town of Sanborn-ton by transferring or converting the following described area, now in the General Residential and Agricultural District, into a Commercial District:
 - (a) Beginning at a point where the Gulf Brook Road crosses Route 3-B and extending northward on both sides 150 feet from edge of highway, following Route 3-B to a point where it meets the Pound Road, and including the land and buildings now located at that intersection and presently owned by Robert Wiggins.
 - (2) Amend Article IV by inserting after Section 12, the following new section: 13. A single trailer or a single mobilehome may be located anywhere in this district provided it meets all frontage, front yard, side and back yard, minimum land area and sanitary protection requirements in this District.
 - (3) Amend Article IV by inserting the following new section: 14. Mobilehome or trailer parks may be established in the Agricultural and Residential area as shown on the Zoning Map of the Town of Sanborn-ton filed with the Town Clerk and dated March 13, 1956 provided that they are at least 100 feet distant from the nearest dwelling and 300 feet from the nearest public road.
Provided that:
 - A. Each mobilehome or trailer space shall contain a minimum area of 5,000 square feet, shall be at least 50 feet wide. Each space shall be clearly defined and each mobilehome or trailer shall be parked in such space not less than ten feet from the

dividing lines nor less than 25 feet from edge of road bed.

B. In all mobilehome and trailer parks, roadways shall be 40 feet wide, shall be well drained, gravelled, hard surfaced or paved and maintained in good condition, and lighted at night.

C. Existing sanitary regulations relative to mobilehomes and trailers in parks as promulgated by the State Board of Health under authority of Chapter 147 revised Statutes, annotated, of the State of New Hampshire, are adhered to.

- (4) Amend Article IV, 5 by inserting the words "golf courses" so that said section as amended shall read as follows: Article IV, 5. Churches, schools, hospitals, sanatoria, golf courses, and commercial recreational areas are permitted in this District.
- (5) Amend Article V, 1 by inserting the words "and the Recreational District" and the words "and seasonal dwellings" so that said section is amended shall read as follows: Any use permitted in the General Residence and Agricultural District and the Recreational District under the same provisions as apply to residences and farms and seasonal dwellings in said Districts.
- (6) Amend the Zoning Map of the Town of Sanborn-ton, by transferring or converting the following described area, now in the General Residential and Agricultural District, into the Recreational District:
Extend the Recreational District on Lake Winnisquam to a maximum width of 1,000 feet starting at Cogswell Road. Where such Lower Bay Road in any place, then the said back line will be the extreme edge of the extension.
- (7) Amend Article VI, 2 by inserting the words "except that trailers and/or mobilehomes, and trailer and/or mobilehome parks shall not be permitted" so that said section as amended shall read as follows: Any uses permitted in the General Residence

and Agricultural District under the same provisions as apply to residences and all other establishments in that District except that trailers and/or mobile-homes, and trailer and/or mobilehome parks are disallowed.

- (8) Amend Article VIII Enforcement, by inserting the following as section 5: Upon application to the Selectmen, a permit may be issued for the establishment of a mobile home and trailer park in the Agricultural and Residential District. The Board of Adjustment shall hold a public hearing and shall have authority to decide whether or not the permit shall be issued.

Amend Article VIII Enforcement, by changing the present Section 5 to read Section 6.

- (9) Amend Article IX, C by striking out the entire section, so that said section as amended shall read as follows:

C. Permit in the General Residence and Agricultural District a wholesale, retail, services business, or an industry, which after public hearings, proves it can meet the following requirements:

1. Be located at least 50 feet from the center line of the right of way and not less than 10 feet from each side and rear boundary.
2. Provide adequate parking facilities for (a) vehicles attracted by the business or industry; (b) employee parking; and (c) freight and delivery trucks.
3. Will not offend by reason of the emission of smoke, dust, gas, noise, odor or fumes.

D. Permit in the Commercial District an industry which after public hearings, proves it can meet the requirements outlined in Article IX, C, 1-2-3 above.

10. Amend Article XIV, by inserting after Section N, the following new sections:
- O. Trailer means any vehicle or similar portable structure having no foundation other than wheels, jacks or skirting, and having none of the following: running water, sanitary facilities, bath facilities, and toilet.
- P. Mobilehome means a home which is mobile, a unit similar to a trailer, equipped with running water and sanitary facilities, bath facilities and toilet.
34. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and **fifty** nine.

Sanbornton, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Sanbornton for the fiscal year ended December 31, 1958, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Fire Department.

Financial Statements

Comparative Balance Sheets—December 31, 1957-December 31, 1958:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1957 and December 31, 1958, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$10,467.89 in 1958.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

DECREASE IN SURPLUS

Long Term Notes Issued	\$7,000.00
Payment to Capital Reserve Fund	6,442.66
Tax Collector's Excess Debits (Net)	159.05
Adjustment in Yield Tax Deposit	50.00
	<hr/> \$13,651.71

INCREASE IN SURPLUS

Decrease in Yield Taxes Due State (Abatements)	\$10.02
Net Budget Surplus	2,423.39
Payment of Long Term Note	700.00
Decrease in Accounts Payable	50.41
	<hr/> 3,183.82

Net Decrease

\$10,467.89

Comparative Statements of Appropriations and Expenditures --**Estimated and Actual Revenues: (Exhibit A-3 & A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1958, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit 4-A), a revenue surplus of \$1,144.80, plus a net unexpended balance of appropriations of \$1,278.59, resulted in a net budget surplus of \$2,423.39.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1958, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1958, showing annual debt service requirements, is contained in Exhibit H.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

General Comments**Current Surplus:**

The current surplus (excess of total assets over current liabilities) decreased by \$4,167.89, from \$19,002.00 to \$14,834.11, during 1958, as shown herewith:

	Dec. 31, 1957	Dec. 31, 1958
Total Assets	\$51,549.42	\$56,825.91
Current Liabilities	32,547.42	41,991.80
Current Surplus	<u>\$19,002.00</u>	<u>\$14,834.11</u>

Town Treasurer's Surety Bond:

The surety bond of the Town Treasurer should be increased from \$3,000.00 to \$15,000.00, in order that the amount of the bond may be more commensurate with the amount of funds in the custody of the Treasurer.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director

Division of Municipal Accounting, State Tax Commission

JOSEPH W. BOUDREAU, Auditor

REPORT OF THE FIRE DEPARTMENT

We are pleased to report that the new Fire Truck passed the Underwriters Tests with flying colors, even exceeding their requirements in all instances.

Since the organization of the Fire Dept. we have worked steadily toward building our organization to the point when it would become an Underwriters Approved Dept. After the inspection last summer three things remained to be done:

1. One 35 ft. Extension Ladder
2. A 5 horsepower Siren
3. A Red Telephone Network with a switch at each phone to actuate the siren.

The Telephone Network and Fire Alarm System have been installed and we are on the trail of a 35 ft. ladder. The siren remains our only problem. We are hoping some solution will be forthcoming at Town Meeting.

The Department responded to nine fires in Sanbornton and one Mutual Aid Call.

We gratefully acknowledge gifts received and the valuable assistance of the Lakes Region Mutual Aid Association.

Respectfully submitted,

GEORGE S. CURRIER, *Chief*

FOREST FIRE REPORT**You Can Help Prevent Forest Fires**

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

Number of local fires	0
Number of acres burned	0
Number of permits issued	121

Report of the Sanbornton Public Library

For the year ending December 31, 1958

5727 books were circulated from the Sanbornton Public Library during 1958. Of these 4866 were loaned to children and 861 to adults. 165 new books were added, 125 for children and 42 for adults. 29 of these were gifts.

Early in the year Miss Marjorie Stroud, State Library Consultant from Concord, and Mrs. Thomas McIntyre, of Public Relations for the State Library, of Laconia met with the Librarian and Trustees for an informal discussion of matters of interest and concern to Library officials. Later in the year the Librarian and two of the Trustees attended the State Convention for Librarians and Trustees which was held in Laconia.

A set of new shelves has been installed in the Library to hold children's non-fiction books. To meet the needs of the school children more money was made available for the purchase of books.

We are grateful to friends who have given books and periodicals, and we extend to all of our citizens an urgent invitation to visit their Library and talk with their Librarian. The building is open on Wednesday afternoon from one to five o'clock for the accommodation of patrons.

The Library will be open a part of Town Meeting Day, March 10, where any citizens interested in visiting the room, observing its facilities and talking books will be cordially welcomed by Mrs. Morse.

REPORT OF THE SANBORNTON PLANNING BOARD

The Board has held eleven meetings during the year.

After much study and discussion the Board proposed the regulation for Land Sub Division Control and on June 17 a public hearing was held for their consideration. They were adopted, so that we are now prepared to control the Sub Division of Land in Sanbornton for the protection of the taxpayers of the town.

Considerable work was required in regard to the Building development on the Loughton property on the shore of Lake Winnisquam.

At a special meeting on June 11, it was voted to ask Mr. Sidney Ruggles to enter on the official map of Sanbornton in form suitable for printing the correct names of all public roads in the town. He had previously recommended the proper historical names for all unnamed Sanbornton roads a study made for the Sanbornton Historical Society.

On July 24 the Board met with the Selectmen, School Board and representatives of the Sanbornton Bay Association. The subject of the improvement of the different roads of the town and their comparative importance was discussed.

On September 10 we met with Mr. Philip Hodgkins, City Engineer of Laconia, and Sidney Ruggles, a retired civil engineer. The meeting was concerned with maps for the location of property and property lines for tax purposes.

On November 18 Miss Louise Hancock of the State Planning and Development Commission met with the Selectmen and the Adjustment and Planning Board. Discussion of proposed amendments to the Zoning map and ordinance

to be acted on at the Annual Town Meeting occupied most of the evening.

To fill the vacancy caused by the death of Elwyn V. Chesley, Harold C. Bingham was appointed and was chosen Secretary of the Board.

The Planning Board is much interested in the problems which we all share as residents and tax payers of Sanbornton such as schools, roads and the ever present problem of increasing the income of the Town by enhancing the total value of the taxable property through orderly development; also the wise appropriation of Town money. Our aim is to reduce the tax burden without jeopardizing the services offered by the Town.

It is interesting to note that according to estimates made by the New Hampshire Planning and Development Commission, Sanbornton stands second, as among the towns of Belknap County, in the percentage of population increase from 1950 to 1957 with a figure of 24.4 per cent.

Annual Report of the Superintendent of Schools

*To the School Board and Citizens of the Sanbornton
School District*

At the start of this, my first annual report as your Superintendent of Schools, I wish to express my appreciation for the friendly advice and help given me during the past few months by members of the School Committee and school staff and by citizens concerned with the welfare of our school.

Personnel and Assignments

Following the resignation of Mrs. M. Katherine French, Mr. Robert Benoit was employed as Principal of the Sanbornton Central School.

Mrs. Elvis Belser, a graduate of Plymouth Teachers College with a year of graduate study at the University of New Hampshire, has been employed as teacher of grades 6 and 7.

Mrs. Dorothy Metcalf continues to serve as Remedial Reading teacher.

The following shows the planned assignment of teachers for the 1959-1960 school year together with projected enrollments by grade and classroom:

Classroom	Teacher	Grade	Enroll. by Grade	Enroll. by Class.
1	Pelletier	1	27	27
2	Brazil	2	26	26
3	Gomo	3	26	26
4	Corliss	4	21	27
		5	6	
5	Belser	6	30	30
6	Benoit	5	8	26
		7	18	
		8*	19	

* Convey to Tilton-Northfield High School.

The above plan has the following advantages:

1. It does not require the hiring of a additional teacher.
2. It does not require the expenditure of school district funds for any make-shift arrangements in corridors, cafe-

terias or other unsuitable locations.

3. It does not require the purchase of additional desks and chairs.

4. Projected enrollments are very evenly and fairly distributed, giving all pupils an equal chance for proper instruction and special help.

5. The plan provides for Junior High School instruction for our eighth grade pupils at Tilton. Such a transitional stage is usually found very helpful to pupils making the adjustment between Elementary School and the complete departmentalization of High School.

The above plan depends upon a favorable vote on article 9 of the School Warrant.

(A) vote leaves two alternatives:

1. The need for hiring an additional teacher and setting up some make-shift arrangement likely to prove unsatisfactory for classroom use.

2. A considerable overcrowding of the present classrooms with the need to buy additional desks and chairs.

School Budget

The total appropriation recommended by your Superintendent and School Board is \$8,576 more than the appropriation made at your last annual district meeting. However, the increase in tuition alone is \$7,529.

The following analysis of tuition rates will help you understand some of the reasons for the increase in the tuition budget:

	High School		Jr. High		Elementary	
	58-59	59-60	53-59	59-60	58-59	59-60
Laconia	\$376	\$404	\$300	\$339	\$199	\$205
Franklin	345	388	232	240	190	240
Tilton	340	350	230	240	230	240

The other significant increase is in salary and retirement. Mr. Robert Benoit has served very energetically and satisfactorily in his first year as Principal of the Sanborn Central School. An increase is planned for him.

For all regular teachers a modest increase in salary is planned and a considerable increase in salary is proposed for

one teacher whose exceptional training and experience warrants a much higher salary than is presently given—or planned in the present budget. However, we have reason to believe that, with the increase proposed, this teacher will remain with us rather than seek a position in one of the surrounding cities where salaries are higher than we propose to offer her.

Helping Teacher

It will cost the town of Sanbornton \$309.30 if a majority of the school districts in Supervisory Union No. 18 vote to employ a Supervisor or Helping Teacher. After many years of school administration and direct observation in the classroom, your school Superintendent is convinced that teachers generally are capable of constant and continual improvement in their teaching effectiveness if adequate supervisory help is provided.

The majority of your teaching staff have two or three years of professional training acquired years ago when two or three years of training was the customary thing for elementary school teachers. Such teachers are usually able to make a dramatic improvement in their teaching skills if provided throughout the school year with the special help of a competent Supervisor. Such a person would constantly offer thoughtful and stimulating suggestions, make available to the teachers special resources and materials and work with the teacher in improving the actual courses of study offered to the children. In such ways the teaching effectiveness of the entire staff can, in my opinion, be markedly increased.

It would seem to me that \$309.30 is a small price to pay for this benefit.

In closing, I wish to express my appreciation to the Sanbornton School Board and to the numerous citizens and staff members who have given me helpful advice and assistance.

Respectfully submitted,
PHILIP G. HINES
Superintendent of Schools

SANBORNTON CENTRAL SCHOOL

Report of the Principal

The Central School opened its school year 1958-1959 with an enrollment of 172 in the eight grades and has remained very near this figure throughout this first half of the year.

We have enjoyed our new addition which is filled to capacity. Our playground is the scene of much activity as the children take advantage of the space and equipment. The paved area has been enjoyed very much by the ball enthusiasts as well as by those seeking areas for other games.

Our hot lunch program under the direction of Mrs. Louise Hewitt has been a point of pride. The children enjoy the varied and nutritious lunches served daily as is evidenced by the continued high lunch count.

Another point of pride is the Sanbornton P. T. A. I particularly appreciate this opportunity to meet the parents of the children I look forward to seeing each day.

This year has been most rewarding to me, and I want to thank all my fellow associates for their continued support and cooperation. Where there is sincere interest from both the teachers, the parents, and the community a school such as ours cannot help attaining the high standards we have set.

ROBERT W. BENOIT, *Principal*

Report of the School Nurse

To the Superintendent of Schools:

Since good health is an important basis for happiness and academic success, it is wise to remind ourselves occasionally of the implications of this fact. To lose or impair in any way one's physical health can result in such modifications of living and adjustment that a child's happiness and school success would be considerably reduced. Hence, it is our aim in the Sanbornton Central School to help each pupil maintain the highest possible level of good health. To attain this end, the following procedures have been conducted during the past year.

A tuberculin testing program is an important and effective means for the discovery of active lung tuberculosis not only in children but in those adults with whom the children come in contact during their school life. In view of this, the Tuberculin Skin Test was given to 87 children and two lunch room workers on April 13, 1958.

Few of us need to be reminded that the neglect of a decayed tooth invites trouble. It may involve not only loss of a tooth, but occasionally a serious infection. Preventive dentistry is therefore an important health procedure. Accordingly, during the week of May 14, our annual Dental Clinic, sponsored by the Sanbornton Parent-Teacher Association, was held. Eighty-seven children received a dental inspection and their teeth cleaned by Mrs. Gretchen Reed, Dental Hygienist. At the same time, each parent received a notification of the condition of their children's teeth.

It has been estimated that three million children in this country suffer from some degree of hearing deficiency. Obviously, the sooner these defects are discovered and treated, the more likely the chances for correction and/or improvement. Our annual Audiometer Hearing Test was administered to every child in the Central School. Many of these same children were given a second test during the year.

Sight, as the most precious and important of our senses, should not be taken for granted; but carefully guarded. For this reason, visual testing is given annually to every student in the Central School. Many of these children are retested as the occasion demands.

Another important factor in the healthy growth and development of children is freedom from such diseases as diphtheria and poliomyelitis. Each child should receive the preventive treatments that are now available. During the months of November and December, 1957, as well as during January, 1958, a Toxoid Clinic was held at which 38 children were inoculated. A Poliomyelitis Clinic was also held on May 27, 1958, with 22 elementary school children, 22 pre-school children, 4 high school pupils, and 2 teachers receiving their third inoculation of the Polio vaccine. It can be said in passing that the children at the Central School are well protected against Poliomyelitis.

On May 13, a Pre-school Clinic was held with 16 children in attendance. At that time, each child received a vision test, a hearing test, and a general medical inspection by the nurse.

The pupils were weighed and measured three times during the year, and a medical inspection was given to 137 children. Classroom inspections were held at intervals during the seige of scarlet fever.

During the past year, the school nurse made 115 school visits. In addition to the previously mentioned health services, many conferences were held throughout the year with parents, teachers, and pupils.

I wish to take this occasion to express my sincere gratitude to all for their wholehearted cooperation and financial assistance during this past year.

Respectfully submitted,
MARION MOYNIHAN, R. N.

Summary of Findings and Recommendations

August 4, 1958

The School Board
Sanbornton School District
Sanbornton, New Hampshire

Gentlemen :

Submitted herewith is the report of the annual examination and audit of the accounts of the Sanbornton School District for the fiscal year ended June 30, 1958, which was made by this Division. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1957 and June 30, 1958, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$36,428.68 during the fiscal year ended June 30, 1958.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the Factors which caused the change indicated therein. Comparative Statements of Appropriations and Expenditures

—Estimated and Actual Revenues: (Exhibit C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1958, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$245.10, plus a revenue surplus of \$366.22, resulted in a net budget surplus of \$611.32.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended June 30, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1958, is indicated in Exhibit F.

Statement of Building Fund Account: (Exhibit H)

A statement showing the activity in the Building Fund Account during the fiscal year is included in Exhibit H.

Statement of Long Term Indebtedness: (Exhibit I)

A statement of the long term indebtedness of the School District as of June 30, 1958, showing annual debt service requirements, is contained in Exhibit I. Outstanding Short Term Notes of \$39,000.00, issued in anticipation of Serial Notes authorized but not issued during the fiscal year, are not included in the Long Term Indebtedness Statement. These notes were refunded by Serial Notes issued in the amount of \$48,000.00, date July 7, 1958.

General Comments

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) decreased from \$2,121.65 to \$692.97 during the fiscal year ended June 30, 1958, as shown herewith:

Total Assets	\$2,304.24	\$4,623.92
Current Liabilities	182.59	3,930.95
	<hr/>	<hr/>
Current Surplus	\$2,121.65	692.97
	<hr/>	<hr/>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letters of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Sanbornton School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*

CENTRAL SCHOOL ADDITION

At the start of the 1957-59 school year the new three room addition to the Central School was completed and put into use.

The cooperation of the architects, Dirsa and Lampron, and the general contractor, Caron Construction Co., Inc., both of Manchester and all the sub-contractors with the building committee and the school board made this a successful and pleasing effort.

Cost of Building: \$45,230.00

Sub-contracts

Sash	\$1,062.00
Roofing	2,151.00
Flooring	925.00
Painting	1,374.00
Plumbing*	7,397.00
Electrical	2,050.00
General	37,668.00

*Includes Ventilating and Heating

Architects' Fee 2,203.18

Total Cost of Building \$47,933.18

The addition was paid for by borrowing from the Mechanics National Bank of Concord \$48,000.00 on serial notes of the school district. \$4,800.00 to paid annually with interest at a rate of 3%.

Respectfully submitted

Chairman of the Building Committee

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the School District in the town of Sanbornton qualified to vote in district affairs:

You are hereby notified to meet at the Sanbornton Central School in said District on the seventh day of March 1958, at eight o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will send the eighth grade to Tilton-Northfield High School during the school year 1959-1960 and to see if the District will vote to raise and appropriate the sum of \$7440 for payment of tuition and transportation.
10. To see if the District will authorize the continuance of a Cooperative School District Study Committee as appointed under Article 10 of the 1958 Annual School Warrant and authorize the chairman of this committee to make appointments as vacancies may occur and authorize the committee to elect its own chairman if a vacancy in this post should occur; provided further that this committee shall continue its work until such time as this committee deems it wise to recommend to a District Meeting the discontinuance of this Cooperative School District Committee.
11. To see if the District will vote to approve the employment of a Helping Teaching in Supervisory Union #18 beginning July 1, 1959 and to see if the District will vote to raise and appropriate the sum of \$317.47 for the Sanbornton share in Supervisory Union #18 for salary and other expenses of such teacher.
12. To transact any other business that may legally come before this meeting.

Given under our hands at said District this twenty-first day of February, 1959.

STATE HEALTH DEPARTMENT

January 8, 1959

Board of Selectmen
Sanbornton, N. H.
Dear Sirs:

The following is a general report of the public health work which I feel would be of more interest to the townspeople than other detailed routine calls.

I believe I mentioned in last year's report that two of three clinics for the protection against whooping cough, diphtheria, and tetanus had been conducted during the months of November and December. In January of this year (1958), the third such clinic was held. A total of fifteen attended, which made the grand total of children attending the series sixty-seven. Smallpox vaccinations were included for those needing protection.

Unless the immunization status of the preschoolers becomes alarmingly low, we hope to offer immunization clinics every two years. The majority of children receive their protection from their family physicians, so that the main purpose of offering periodic clinics is to immunize those children who have no family doctor. I would also like to stress the importance of parents being sure that their children complete the three initial injections at the recommended intervals plus periodic boosters. Many children receive one or two injections and do not return to complete the series and therefore have little or no protection against these diseases.

The third and final Salk Vaccine clinic was conducted in May. Fifty children received injections and forty-six of this number were given their third injection. The total number of children attending the three clinics sponsored by the department of health was two hundred forty-five. Of this

total, one hundred twenty-two completed their three injections. I am sure many of the other children completed their immunization with their family physician.

The clinics are a major portion of my work, but as you know, I follow any health (nursing) problem in all age groups with the exception of the school-age child and TB patients. I certainly hope that if anyone knows of a health problem or feels that they themselves are in need of my services, that they will feel free to contact me.

Respectfully submitted,

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day.
